

ADDENDUM #1

CUSTODIAL SUPPLIES: SBVC IFB # 2011-03

April 25, 2011

The following two (2) pages of amendments, questions and responses shall be made and incorporated in the subject Invitation for Bids. Any questions were presented to SBCCD by the deadline established within the IFB. SBCCD responses to questions are in *italics*:

Question 1: What are the dilution ratios for the chemicals?

Response 1: See the updated bid form on page 2 of this Addendum. Note that the dilution ratios for Lines 1-4 have been added to the Generic Item Description fields.

Question 2: Are you currently in a dilution system, and if so, what is the name of it and the manufacturer?

Response 2: SBVC maintenance and operations currently uses Buckeye International's Smart System proportioning system.

Question 3: Can we add a column to the bid that shows the end use cost (price per diluted quart) of products?

Response 3: See the updated bid form on page 2 of this Addendum. Note that a column has been added titled "Cost per diluted Liter".
