RECOMMENDATION

It is recommended that the Board of Trustees endorse and register its support for the systemwide Vision for Success Goals as outlined in the Vision for Success Goal Alignment 2018-2019 presentation.

OVERVIEW

This presentation is intended as an overview of the process; each campus is currently working on establishing their own local goals and should update the Board on their progress at a future date.

ANALYSIS

In addition, the presentation outlines the process for local district goal setting that is to take place by May 31, 2019 and will speak to the law establishing the funding formula and local goal-setting process that also requires that each district ultimately align its "comprehensive plan" with its adopted local goals and align its budget with the "comprehensive plan."
