AP 3520    LOCAL LAW ENFORCEMENT

The District, on behalf of each campus or center, has a written agreement with local law
enforcement agencies. The agreement clarifies operational responsibilities for
investigations of Part I violent crimes, defined by law as willful homicide, forcible rape,
robbery, and aggravated assault, occurring at each location.

The written agreement designates which law enforcement agency has operational
responsibility for violent crimes and delineates the specific geographical boundaries of
each agency’s operational responsibility, including maps as necessary.

The written agreements required by the Board policy are public records and are made
available for inspection by members of the public upon request to Human Resources.

The District Chief of Police maintains a close working relationship with the with the local
law enforcement agencies. The District Police Department occasionally works with other
law enforcement agencies, including San Bernardino Police Department, Colton Police
Department and San Bernardino County Sherriff Department. Meetings may be held
between the leaders of these agencies on both a formal and informal basis. The District
Police Department and San Bernardino Police Department and San Bernardino County
Sherriff Department communicate regularly on the scene of incidents that occur in and
around the campus area. When incidents arise that require joint investigative efforts,
resources, crime related reports and exchanges of information, the District Police
Department will work closely with San Bernardino Police Department and San Bernardino
County Sherriff Department. There is a written memorandum of understanding between
the District Police Department and San Bernardino Police Department and San
Bernardino County Sherriff Department.

In response to a call, the District Police Department will take the required action,
dispatching an officer or asking the victim to file an incident report. All incident reports
received by the District Police Department are forwarded to the Director of Student Life
for review and potential action. The District Police Department may investigate a report
when it is deemed appropriate.

As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.
