| Enter this committee's most significant accomplishment this year: | | | | | | | |
| Answer 1 | HACU conference attendance by SBVC students, faculty, and staff. | | | | | | |
| Answer 2 | Coordinating Dreamer's Programs and Services | | | | | | |
| Answer 3 | Undocumented support increase. Announcements increased creative events at campuses. Presence in Hispanic community at Mexican Consulate from all over the IE makes SBVC/CHC more visible as community colleges that are accessible to students and supportive of non-traditional students. | | | | | | |
| Answer 4 | Support for inclusion of better practices that support access and improvement for all constituents including HSI populations, for example; the data provided on transfer rates and the work being done by HR on improving hiring practices. Inclusion of Mexican Consulate and community organizations is a huge success! | | | | | | |
| Enter the improvements most needed by this committee in its processes, interactions, outcomes, or other aspects of its work: | | | | | | | |
| Answer 1 | Tuesday/Thursday @ 9:00 a.m. suggested time for quarterly meetings. | | | | | | |
| Answer 2 | Committee needs to connect outcomes to vision for student success and student equity plans. Committee may benefit from becoming a District Equity and inclusion committee. Different time maybe 3:30 - 4:30 p.m. or 4:00 - 5:00 p.m. Quarterly for sure. | | | | | | |

| Answer 3 | Better scheduling and improvement for marginalized voices including students, LFSAA representatives, and even faculty. The web based clearing house is not in place. We need a communications strategy, like a diversity focused newsletter or news blast. | | | | | | |
