2011-2012 Academic Calendar

J. Jones moved, J. Danley seconded the motion to approve the 2011-2012 Academic Calendar.

S. Sutorus said the Calendar Committee was reconvened to discuss the concerns expressed at the last District Assembly meeting. The following four items were addressed by the Calendar Committee:

1. The need for two separate graduation dates.
2. The need for in-service days prior to both Fall and Spring semesters.
3. The need for one calendar district-wide.
4. Having a flex day on August 11 doesn't allow new hires the ability to complete the full year contractual requirement.
S. Sutorus said the 2011-2012 Academic Calendar submitted meets all of the Academic Calendar guidelines.

The motion passed with 1 NO vote.

**BP & AP 7420 Authorized Drivers**

The following concerns and questions will be submitted to S. Sutorus for clarification:

1. Is this an existing policy? If so, how has it been updated?
2. Does every employee need to be on the approved drivers’ list?
3. Define what it means “to drive for the district”.
4. Which vehicles does the policy refer to – electric carts, forklifts, vehicles?
5. How does this policy interface with the existing policies 6760, 7450 and 7400 and do we need 4 policies?
6. Examine whether it makes sense to allow someone to drive on district business if they have 2 points on their driving record.
7. What are the reference sources that are “driving” this policy and procedure?
8. Do we need to make our policy more stringent than the law?
9. If someone isn’t on the approved drivers list and does drive on district business and has an accident, is the district liable?
10. Whose insurance covers an accident – district’s or employee’s?
