<td>Approval of minutes from 2/9/14</td>
<td>MOU, SOP’s and delivery form are not fully implemented yet as the committee has not provided feedback on the form. The delivery form will be used as an inventory form as well as a way to track chain of custody. SOP doesn’t have the delivery form referenced, change verbiage to include the list on the form.</td>
<td>Change first bullet on MOU, must be in place and all donating agencies shall use the delivery form and chain of custody for all pharm donations to be accepted to reflect the list that is initialed. Change verbiage on MOU to donation med solutions only listed on the delivery form.</td>

**Reports:**
- M&O Safety (Training & Projects)
- District Police Report (Police):
- EH&S:
  - Summary of WC report
- HR
- HWC – Student Injury Report

M&O: Tomorrow, Keenan will inspect grounds for deficiencies. Scissor-lift training is scheduled. Next week annual fire alarm testing (spring break). Exterior lighting inspections, replaced 24 lamps. Hazard mitigation project on campus drive currently, a pathway for students to walk up campus drive, north side next to the ditch. We are planning a project in the café plaza to remove risks. A contract is in place to replace the PAC patio after graduation. Key control plan in production for existing buildings for lock-down. Committee to look at the potential hardware that will be approved.

Police: Individual on campus doing lewd acts, arrested.
EH&S Slip report tomorrow. The

Should let commencement committee know.
formaldehyde exposure assessment ongoing. Workers comp report shows no increases. Sewer management plan is in progress. Safety data sheet database should be done in May. Online completion by June. Training forthcoming. Health and wellness: asthma attack, sent albuterol up to where the students were hiking above campus.
