<td>10%</td>
</tr>
</tbody>
</table>

   **Total Scoring for the Overall RFQP** 100%

2. **Request for Clarifications:**

   **RFC-1** Regarding the Proposer’s following question: “Our firm is reviewing the RFQ/P 2019-2 which we downloaded from the District’s website. Do you know when this RFQ/P will be uploaded to the PlanetBids website?”

   **Answer RFC-1** We are not using PlanetBids for this RFQP. All documents related to the RFQP will be posted on the District’s website. As the RFQP states, it is each Proposer’s sole obligation to regularly check the district website for any and all Addendums to the RFQP.

   **RFC-2** Regarding the Proposer’s following question: “We would like to be able to view the prospective bidders. If it will not be posted on PlanetBid, is there another way to get a list of the prospective bidders?”

   **Answer RFC-2** The District will not know the identity of firms that plan to submit proposals for this opportunity until March 11th the date on which Qualifications and Proposals are due to be submitted to the District.

   **RFC-3** Regarding the Proposer’s following question: “Also, if we pursue this as a sub-consultant and we are on the winning team, would it exclude us from pursuing future RFPs (for civil engineering, surveying, design, etc.) generated as a result of the work developed from the program management services?”

   **Answer RFC-3** The Program Management firm selected via this RFQP process and its sub-consultants will be precluded from pursuing any future Bond Program RFQs and/or RFPs issued to engage consultants and contractors to provide other various Bond Program services that the Program Management firm is not providing.
