MEMORANDUM OF UNDERSTANDING
By and Between
SAN BERNARDINO COMMUNITY COLLEGE DISTRICT
And
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION and its
SAN BERNARDINO COMMUNITY COLLEGE DISTRICT CHAPTER #291

March 16, 2020

Terms and Conditions: This Memorandum of Understanding is entered into by and between the San Bernardino Community College District (hereinafter, "District") and the California School Employees Association, and its Chapter #291, (hereinafter "Association"), collectively referred to as “the Parties” concerning the District’s response to the coronavirus (“COVID-19”) pandemic.

The Parties recognize the importance of maintaining safe facilities and operations, for the benefit of the students and communities served by the District and its faculty and staff. We recognize the importance of prudent measures to prevent district employees, students, their families, or other people using district facilities from being exposed to or infected with COVID-19. We agree that care should be taken to identify potential exposure and prevent the spread of the disease. We agree that continuity of district operations should be maintained, and provisions should be made for district employees who are impacted by the pandemic.

To these ends, the Parties agree as follows:

1) The District will inform the Association as soon as possible should it learn of a confirmed or likely COVID-19 infection of district employees or students.

2) The District will continue to provide information to its employees outlining guidelines related to public health measures, hygiene, and sanitation to help prevent the spread of the virus and will ensure that its facilities have the necessary supplies for preventive sanitation measures (such as soap and water, disposable towels or tissues, and hand sanitizer).

The Association will cooperate with the District in any necessary public health actions. Unit members are reminded of their duty to do assigned work absent reasonable fears for their health or safety (that is, to grieve assignments rather than refuse them absent evidence that the assigned task puts their own health or another’s health at risk).

3) Based on recent guidance, all unit members that are sixty-five (65) or older may work remotely. Unit members will be required to coordinate with their immediate supervisor to verify if working remotely is operationally feasible.

   a. Unit members that are the primary caregiver for an immediate family member that is sixty-five (65) or older may work remotely.
4) Unit members that are unable to come to work due to a COVID-19 daycare or school closure that requires them to be home with their child may work remotely. Unit members will be required to coordinate with their immediate supervisor to verify if working remotely is operationally feasible. If working remotely is not feasible, unit members are authorized to use their accrued vacation or sick leave to cover the absence (Labor Code section 230.8).

5) In the event a unit member is exposed to COVID-19 or is taken ill with COVID-19, the District’s sick leave policies will be liberally construed to encourage such unit member not to infect others by coming to work. Similarly, those unit members with medical proof of susceptibility to the virus will be granted leave as liberally as possible when consistent with the districts operational needs. The Association will notify its members of the District’s commitment but shall not encourage its members to take leave unless there is reason to do so.

6) In the event any district facility must be closed, or any district operations are curtailed due to the COVID-19 pandemic, CSEA bargaining unit members will not suffer any loss of pay or benefits relative to their regular schedules for the period of closure or curtailment. Thus, for example the District will continue to pay bargaining unit members even if they are unable to work due to COVID-19-related reduction in use of district facilities. Unit members who are not ill will not be required to use paid sick leave or any other form of paid time off during such an eventuality. This paragraph will apply up to one month of any such closure or curtailment; if the event the closure or curtailment seems likely to last more than one month, the District and CSEA will meet to negotiate the effects of all working conditions.

7) In the event the District moves to distance education due to the pandemic, the District will ensure that CSEA bargaining unit members suffer no loss of pay or benefits as a result. The District will keep the Association informed of any changes to its operations due to the emergency adoption of distance education, including of any increased need for Information Technology/Information Systems services or for all other operations that could potentially be performed by bargaining unit members, and will promptly respond to further requests to bargain over such issues.

8) The Association will support efforts to maintain funding pursuant to Education Code §§ 41422 and 46392 (or California Code of Regulations § 58146 for community colleges) in the event of a closure of any district facilities due to pandemic.

9) Unit members that are identified and contacted by their immediate supervisor as essential personnel required to support critical campus functions may be required to work remotely or expected to work physically on site. Unit members will be provided hotspots and District computers for those that are required to work remotely.

   a. In the event local state or federal government declares a closure, unit members directed to work physically on site will be paid a stipend of fifty ($50.00) dollars for every day worked.
10) In the event that conditions change the Parties will reevaluate this MOU and adjust to accommodate unforeseen circumstances.
