Plan Component 1: Introduction

The San Bernardino Community College District recognizes that diversity in the academic environment fosters cultural awareness, promotes mutual understanding and respect, and provides suitable role models for all students. The District's Equal Opportunity Plan (hereinafter referred to as The Plan) demonstrates the commitment to hire staff and foster staff development that support the goals of equal opportunity and diversity, and provide equal consideration for all qualified candidates.

The Plan's immediate focus is equal employment opportunity in its recruitment and hiring policies and practices pursuant to the applicable Title 5 regulations (section 53000 et seq.) and the steps the District shall take in the event of underrepresentation of monitored groups. The Plan focuses on advancing diversity and cultural competency within the district. The scope of the Plan includes the following:

1. Title V regulations and provisions in support of the Equal Opportunity Plan
2. Establishment of Equal Employment Opportunity and diversity committees
3. Methods to support Equal Opportunity Employment
4. Procedures for dissemination of the plan

To properly serve a growing diverse population, the District will endeavor to hire and retain faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing student body it serves.

Sincerely,

Bruce Baron,
Chancellor

Plan Component 2: Definitions

(a) **Adverse Impact.** "Adverse impact" means that a statistical measure (such as those outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures") is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

(b) **Business Necessity.** "Business necessity" means circumstances which justify an exception to the requirements of section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the district or pose a significant threat to human life or safety. Business necessity requires greater financial cost than does mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

(c) **Equal Employment Opportunity.** "Equal employment opportunity" means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the district. Equal employment opportunity should exist at all levels and in all job categories listed in section 53004(a). Ensuring equal employment opportunity also involves creating an environment which fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by this subchapter.

(d) **Equal Employment Opportunity Plan.** An "equal employment opportunity plan" is a written document in which a district's work force is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

(e) **Equal Employment Opportunity Programs.** "Equal employment opportunity programs" means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of section 53006.

(f)(1) **Ethnic Minorities.** "Ethnic minorities" means American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.

(2) **Ethnic Group Identification.** "Ethnic group identification" means an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal law.

(g) **Goals for Persons with Disabilities.** "Goals for persons with disabilities" means a statement that the district will strive to attract and hire additional qualified persons with a disability in order to achieve the level of projected representation for that group by a target date established by taking into account the expected turnover in the work force and the availability of persons with

disabilities who are qualified to perform a particular job. Goals are not "quotas" or rigid proportions.

(h) ***In-house or Promotional Only Hiring.*** "In-house or promotional only" hiring means that only existing district employees are allowed to apply for a position.

(i) ***Monitored Group.*** "Monitored group" means those groups identified in section 53004(b) for which monitoring and reporting is required pursuant to section 53004(a).

(j) ***Person with a Disability.*** "Person with a disability" means any person who (1) has a physical or mental impairment as defined in Government Code section 12926 which limits one or more of such person's major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.

(k) ***Projected Representation.*** "Projected representation" means the percentage of persons from a monitored group determined by the Chancellor to be available and qualified to perform the work in question.

(l) ***Reasonable Accommodation.*** "Reasonable accommodation" means the efforts made on the part of the district to remove artificial or real barriers which prevent or limit the employment and upward mobility of persons with disabilities. "Reasonable accommodations" may include the items designated in section 53025.

(m) ***Screening or Selection Procedure.*** "Screening or selection procedure" means any measure, combination of measures, or procedure used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to, traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.

(n) ***Significantly Underrepresented Group.*** "Significantly underrepresented group" means any monitored group for which the percentage of persons from that group employed by the district in any job category listed in section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

(o) ***Target Date.*** "Target date" means a point in time by which the district plans to meet an established goal for persons with disabilities and thereby achieve projected representation in a particular job category.

(p) ***Timetable.*** "Timetable" means a set of specific annual hiring objectives that will lead to meeting a goal for persons with a disability by a projected target date.

The District will actively seek to reach those institutions, organizations, and agencies that may be recruitment sources, especially for underrepresented populations. A list of organizations, which will receive this notice, is attached to this Plan (*Appendix A*). This list may be revised from time to time as necessary.

The District, through its Office of Human Resources, shall annually collect employee demographic data and shall monitor applicants for employment on an ongoing basis in order to evaluate the implementation of its equal employment opportunity plan and to provide data needed for the analyses required by Sections 53003, 53006, 53023, and 53024 of Title 5 of the California Code of Regulations. The District shall annually report to the Chancellor, in a manner prescribed by the Chancellor, this data for employees of the District. Each employee shall be reported so that he or she may be identified as belonging to one of the following seven job categories:

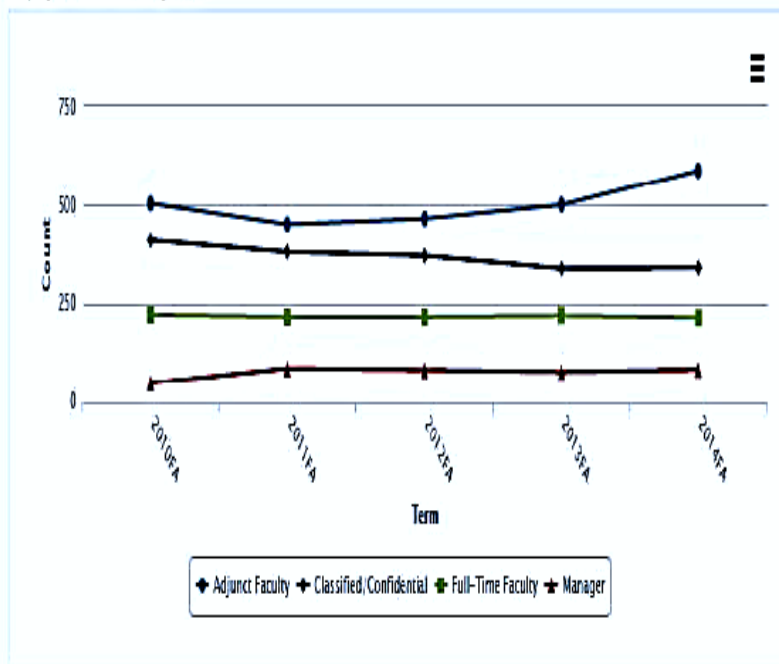

- (1) Executive/administrative/managerial;
- (2) Faculty and other instructional staff;
- (3) Professional non-faculty;
- (4) Secretarial/clerical;

- (6) Skilled crafts; and
- (7) Service and maintenance.

For purposes of the data collection and reporting required under this section, each applicant or employee shall be afforded the opportunity to identify his or her gender, ethnic group identification and, if applicable, his or her disability. A person may designate multiple ethnic groups with which he or she identifies but shall be counted in only one ethnic group for reporting purposes.³ Consistent with all applicable federal, state, and local laws, the District may collect additional data as needed to determine underrepresentation in these or other protected areas.

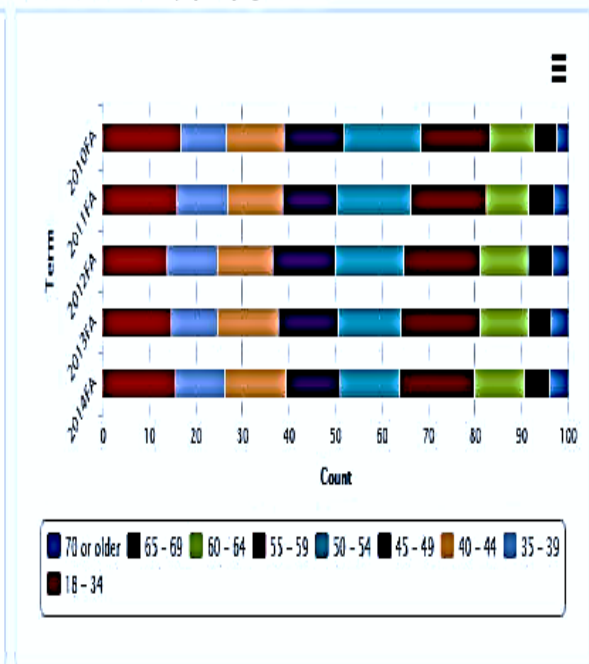

At least once every 3 years, but more often if determined as necessary by the Vice Chancellor of Human Resources or his/her designee. The Office of Human Resources shall review the data to determine if significant underrepresentation of a monitored group may be the result of non-job related factors in the employment process. The analyses used in the review shall include, but need not be limited to:

- Longitudinal analysis of data regarding job applicants to identify whether over multiple job searches, a monitored group is disproportionately failing to move from the initial applicant pool to the qualified applicant pool;
- Analysis of data regarding potential job applicants, to the extent provided by the State Chancellor, which may indicate significant underrepresentation of a monitored group; and
- Analysis pursuant to Section 53003(c)(7) of Title 5 of the California Code of Regulations to determine whether a group is significantly underrepresented.

Plan Component 14: District Measures to Address Identified Underrepresentation

Where the review identifies that underrepresentation of a monitored group may be the result of non-job related factors in the employment process, the District shall implement additional measures designed to address the specific area of concern.

A recent review, revealed the underrepresentation of Hispanic faculty and staff in comparison to student population(s) (figure 2). As a result, additional measures will be implemented to include:

- Organizing a collaborative effort between Human Resources, faculty administration, and Hispanic staff to develop initiatives for increasing recruitment of Hispanic faculty and staff to provide a better balance in the Hispanic faculty/staff to student ratio.
- Increasing recruitment efforts to include advertisements in “Hispanic Outlook in Higher Education” and “Hispanic Job.com” and including advertisement language “bilingual/Spanish encouraged to apply” on recruitment flyers.
- The District will engage with the community in recruitment efforts.

Additional measures used to address identified underrepresented groups shall also include the following:

1. Review the District’s recruitment procedures and identify and implement any additional measures which might reasonably be expected to attract candidates from the significantly underrepresented group;
2. Consider various other means of reducing the significant underrepresentation which do not involve taking monitored group status into account and implement any such techniques which are determined to be feasible and potentially effective;
3. Determine whether the group is still significantly underrepresented in the category or categories in question after the measures described in (1) and (2) have been in place for a reasonable period of time;
4. Review each locally established “required,” “desired,” or “preferred” qualification being used to screen applicants for positions in the job category to determine if it is job-related and consistent with:
 - Any requirements of all applicable federal, state, and local laws; and
 - Qualifications which the Board of Governors has found to be job-related throughout the community college system, including the requirement that applicants for academic and administrative positions demonstrate sensitivity to the diversity of community college students.
5. Continue using qualification standards meeting the requirements of paragraph (4) of this section only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of paragraph (4), and be expected to have a less exclusionary effect.

6. Consider the implementation of additional measures designed to promote diversity that are reasonably calculated to address the area of specific need.

For purposes of this section, “a reasonable period of time” means three years, or such longer period as the Chancellor may approve upon the request of the Equal Employment Opportunity Advisory Committee and the Superintendent/President.

Nothing in this section shall be construed to prohibit the District from taking any other steps it concludes are necessary to ensure equal employment opportunity, provided that such actions are consistent with the requirements of all applicable laws.

Plan Component 15: Developing & Maintaining Institutional Commitment to Diversity

The District recognizes that multiple approaches are appropriate to fulfill its mission of ensuring equal employment opportunity and the creation of a diverse workforce. Equal employment opportunity means that all qualified individuals have a full and fair opportunity to compete for hiring and in-house/promotion and to enjoy the benefits of employment with the District.

Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination. To that end, in addition to the steps to address underrepresentation and/or significant underrepresentation, the District will implement a diversity program. Having a campus that has accepted principles of diversity and multiculturalism can make implementation and maintenance of an effective equal employment opportunity program much easier. For that reason, institutionalizing a well-planned, well-funded, and supported diversity program by the leadership of the District can be of great value.

The District will sponsor cultural events and speakers on issues dealing with diversity, and explore how to infuse diversity into the classroom and curriculum. The District will promote the concept of cultural proficiency, learning opportunities and personal growth in the area of diversity and evaluate how the physical environment can be responsive to its diverse employee and student populations. In implementing a diversity program, the District shall do the following:

- 1) *Commit to a formal Office of Diversity and diversity program that is part of the structure of the District and that will be adequately funded and supported by the District and campus leadership.*
- 2) *Conduct campus climate studies to identify hidden barriers.*
- 3) *Highlight the District's equal employment opportunity and diversity policies in job announcements and in its recruitment, marketing, and other publications. Include in job announcements language indicating that candidates are required to demonstrate that they can infuse diversity into their major job duties.*
- 4) *Review and revise college/District publications and other marketing tools to reflect diversity in pictures, graphics, and text to project an inclusive image.*
- 5) *Offer a series of EEO/diversity workshops in conjunction with staff development programs.*
- 6) *Evaluate administrators yearly on their ability and efforts to meet the District's equal employment opportunity and diversity efforts.*
- 7) *Establish an "Equal Employment Opportunity and Diversity" online presence by highlighting the District's diversity and equal employment opportunity, ADA, sexual harassment and nondiscrimination policies, procedures and programs on the District's*

website. The website will also list contact persons for further information on all of these topics.

- 8) *Promote various cultural celebrations on campus.*
- 9) *Recognize multilingualism and knowledge of multiculturalism as a desired, and when appropriate, required skill and qualification for community college employees.*
- 10) *Through the District's publications and website, convey the District's diversity and commitment to equal employment opportunity;*
- 11) *Through the District's mission statement, convey the District's commitment to diversity and inclusion and its commitment to a diverse and inclusive workforce that promotes the District's educational goals and values;*
- 12) *Through the District's hiring procedures, require that applicants for all positions are required to demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds of community college students in a manner specific to the position;*
- 13) *Through District staff members, serve as resources, consultants, mentors and/or leaders to colleagues at other districts in the areas of EEO and diversity enhancement;*
- 14) *Maintain updated curricula, texts, and/or course descriptions to expand the global perspective of the particular courses, readings, or discipline;*
- 15) *Address issues of inclusion/exclusion in a transparent and collaborative fashion;*
- 16) *Attempt to gather information from applicants who decline job offers to find out why, record this information, and utilize it; and*
- 17) *Conduct longitudinal analysis of various employment events by monitored group status such as hiring, promotion, retention, voluntary resignation, termination, and discipline.*
