SBCCCD Governing Board Planning Session

PREPARED AND PRESENTED BY DR. KEITH WURTZ
INTERIM EXECUTIVE DIRECTOR OF INSTITUTIONAL EFFECTIVENESS, RESEARCH, AND PLANNING
Session Objectives

- Review the Suggestions from last year from both the Governing Board and the District Strategic Planning Committee
- Review Draft SBCCD Strategic Planning Process
- Review and Discuss ACCJC Standards Specific to Governing Board
- Define Goals, Objectives, and Actions
- Review Governing Board Imperatives
- Review District Strategic Planning Goals
Planning Suggestions

- Governing Board felt that they were not well informed or engaged on the progress being made on the District Strategic Plan
- District Strategic Planning Committee felt that the communication between the Governing Board and the Committee needed to be improved
- As a result, drafted the Governing Board Planning Process
Addressing Planning Suggestions

- Gaps in the Strategic Plan, lack of integration in planning, and inconsistent data lead to the need to create the Executive Director of Institutional Effectiveness, Research, and Planning;

- Chancellor directed the development of new planning process which would assure integration of planning and regular Governing Board participation throughout the planning process.
Background for developing the Governing Board Planning Process

- Contacted three different colleges and planning consultant to get input on process
- Input from Chancellor’s Cabinet
- Need input from Governing Board
- Need input from DSPC
Draft SBCCD Strategic Planning Process

DSPC

ACCJC Standards

- **Standard I**: Mission, Academic Quality and Institutional Effectiveness, and Integrity
  - **Standard I.C.7**
    - In order to assure institutional and academic integrity, the institution uses and publishes governing board policies on academic freedom and responsibility.
    - These policies make clear the institution's commitment to the free pursuit and dissemination of knowledge, and its support for an atmosphere in which intellectual freedom exists for all constituencies, including faculty and students.
Standard IV: Leadership and Governance

Standard IV.A.5

Through its system of board and institutional governance, the institution ensures the appropriate consideration of relevant perspectives; decision-making aligned with expertise and responsibility; and timely action on institutional plans, policies, curricular change, and other key considerations.
Standard IV: Leadership and Governance

Standard IV.C.2: The governing board acts as a collective entity. Once the board reaches a decision, all board members act in support of the decision.

Standard IV.C.3: The governing board adheres to a clearly defined policy for selecting and evaluating the CEO of the college and/or the district/system.

Standard IV.C.4: The governing board is an independent, policy-making body that reflects the public interest in the institution’s educational quality. It advocates for and defends the institution and protects it from undue influence or political pressure.
Standard IV: Leadership and Governance

Standard IV.C.5:

The governing board establishes policies consistent with the college/district/system mission to ensure the quality, integrity, and improvement of student learning programs and services and the resources necessary to support them. The governing board has ultimate responsibility for educational quality, legal matters, and financial integrity and stability.
Standard IV: Leadership and Governance

Standard IV.C.7: The governing board acts in a manner consistent with its policies and bylaws. The board regularly assesses its policies and bylaws for their effectiveness in fulfilling the college/district/system mission and revises them as necessary.

Standard IV.C.10: Board policies and/or bylaws clearly establish a process for board evaluation. The evaluation assesses the board’s effectiveness in promoting and sustaining academic quality and institutional effectiveness. The governing board regularly evaluates its practices and performance, including full participation in board training, and makes public the results. The results are used to improve board performance, academic quality, and institutional effectiveness.
ACCJC Standards

- **Standard IV**: Leadership and Governance
  - **Standard IV.C.11:**
    - The governing board upholds a code of ethics and conflict of interest policy, and individual board members adhere to the code.
    - The board has a clearly defined policy for dealing with behavior that violates its code and implements it when necessary.
    - A majority of the board members have no employment, family, ownership, or other personal financial interest in the institution.
    - Board member interests are disclosed and do not interfere with the impartiality of governing body members or outweigh the greater duty to secure and ensure the academic and fiscal integrity of the institution.
Standard IV: Leadership and Governance

Standard IV.C.12: The governing board delegates full responsibility and authority to the CEO to implement and administer board policies without board interference and holds the CEO accountable for the operation of the district/system or college, respectively.
Goals, Objectives, and Actions
Goals

- Overarching principle that guides decision making
- Characteristics of a Sound Goal
  - Reflects the big picture
  - Clearly serves the interests of the program
  - Ambitious yet attainable in principle
  - Relatively long-range and stable over time
- Example: Promote student success.
BHAG Goals

- BHAG – Big Hairy Audacious Goals – a statement of bold ambition so clear that it requires little or no explanation
- Reaches out and grabs us and captures our imagination
- Short, strong, and easily remembered
- Examples
  - “Become the Harvard of the West” (Stanford University, 1940s)
  - MIS/IT – Be known in all department offices for excellent service
Objectives

A concrete, measurable outcome that represents a milestone on the way to achieving a goal

Characteristics of a Sound Objective

- Relevant to the applicable goal
- Specific and measurable
- Reasonable with respect to scope and timeline
- Lends itself to formulation of a coherent set of actions

Example: Increase access to data through the development of an Office of Research and Planning Web Page.

**Goal 1**

- **Objective 1.1**
- **Objective 1.2**
- **Objective 1.3**
A coherent set of specific steps that must be taken to achieve the objective

Characteristics of Actions/Tasks

- Specific
- Reasonable with respect to scope, timeline, and workloads
- Completion of all the actions under an objective means achievement of that objective
- List the actions in logical sequence

Example: Work with web developer to design a research web site.
